### **DETAILED ACTION**

1. This action is in response to the RCE filed on 03/24/2005.
2. The rejection under 35 U.S.C. 102(b) as being anticipated by Bartoletti et al., "Secure Software Distribution System", 1997 (hereinafter "Bartoletti") to claims 1-58 is withdrawn in view of applicant's amendment and remarks/arguments.
3. Claim 55 has been amended.
4. Claims 1-58 are pending.
5. Claims 1-58 are allowed.

### **REASONS FOR ALLOWANCE**

6. The following is an examiner's statement of reasons for allowance:

The cited prior art taken alone or in combination fail to teach, in combination with the other claimed limitations, for each realization, downloading a realization detector to the computer system, each realization detector determining from the configuration information in the computer object whether the state defined by the realization exists in the computer; writing data to the computer object indicating whether the state defined by the realization exists on the computer; and using the computer object to determine whether each patch is compatible with the installed components of the computer as substantially recited in independent claims 1, 19, 37 and 55.

The closest cited prior art, Bartoletti teaches a method for applying a patch to a computer system. However, Bartoletti fails to teach for each realization, downloading a realization detector to the computer system, each realization detector determining from the configuration

information in the computer object whether the state defined by the realization exists in the computer; writing data to the computer object indicating whether the state defined by the realization exists on the computer; and using the computer object to determine whether each patch is compatible with the installed components of the computer as substantially recited in independent claims 1, 19, 37 and 55; and as pointed out by the applicant's remarks/arguments on pg. 14, par. 2 to par. 3.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
